

Debi Kellerman

Dear Debi,

Hey Be'be! I hope some day we will meet in your secret lovers spot and I'll drive! You're the sweetest girl I know. I love talking to you about life. I have always watched you since we started Algebra 2. Now I watch you in 5th. I have that ever lasting crush. You are a special person to me. I hope we will get together over the summer. I plan on calling you. I want you to know that you're my special to me and take care in the years to come.

Love John O.

Debi,  
It has been great in chemistry this semester. 5th period is much better than person & a smart one too. Good luck next year. Maybe I'll see you around. Take care.

Debi,  
Hawdy kiddy! I am very glad that we became friends. We will have to get together and play tennis. Maybe we can show our parents. Any way you take care of yourself. And have a good summer. Hope I see you soon.

I love you

Bridget

Debi,  
You certainly made chemistry an interesting class! I'm glad I got to know you better in chemistry. Remember those long conversations at Earls with Kimmy. You're a great friend, and I probably would have done a lot worse on a lot of tests in chemistry. Keep up the safe driving (I'm still laughing, 3 accidents), I know, it was your fault, right, I believe you. Have a great summer and a super senior year. Give me a call over the summer.

Debi, I'm so glad we became friends, and I hope we can become better friends. I hope every thing works out between you and Billy. Call me up this summer, that way we can do something. Maybe if we are lucky we can get Gordon and your date that you had for the Prom, we could have a blast. Ha Ha Ha. Well have a super duper summer. Love Jimmy Kiddoo 11831 998-5710

DEBI,  
I'm Really Glad That I Met You In High School. You Made Salata's Case A Memorable Experience. You Also Made Those Long Niente At The Gas Station Go By Faster (Don't Take It Wrong) Ha Ha! Have A Great Summer And I Hope I See You Again Soon

We have to keep in touch  
over the summer. And do  
all sorts of fun & crazy  
things (like go and steal  
a sign off a building or  
something) only kidding.  
Maybe we can hit the beaches  
again, 'cause we haven't  
gone in a long time. Take  
care and give me a call.  
Lots of Love

## FIGHT SONG

Roll, you gold, you orange and white  
Like an ocean upon the shore!  
Roll along with all your might  
'Til you're able to score once more.  
Rock'em sock'em, Chancellors, go! go!

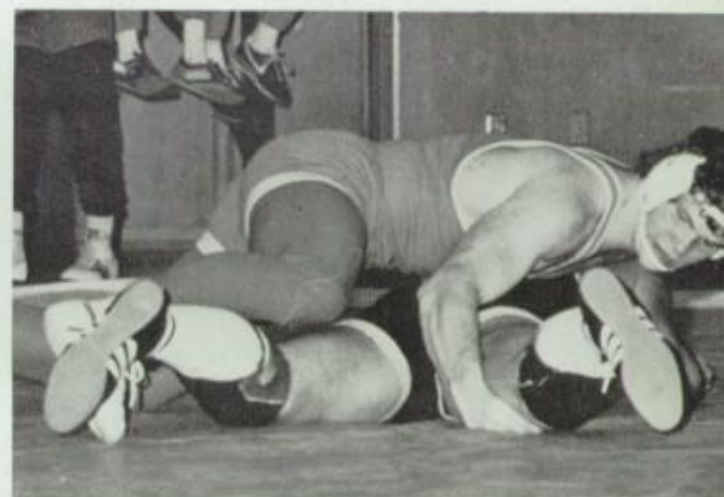

'Til they're too weak to even try.  
Hey team, yea team, never say die  
For the honor of Chatsworth high.

God hath not promised skies  
always blue,  
Flower-strewn pathways all our  
lives through;  
God hath not promised sun without  
rain, day  
without sorrow, peace without pain.

But God hath promised strength for  
the day,  
Rest for the labor, light for the way,  
Grace for the trials, help from  
above,  
Unfailing sympathy—undying love
